LONG BRIDGE SWIM SPONSOR FORM

The Long Bridge Swim uses sponsorships to underwrite the operating costs for the event so that participant registration fees and donations can be used to fund the promotion and delivery of swimming lessons to North Idaho youth and adults who do not know how to swim. Working closely with the Lake Pend Oreille School District, City of Sandpoint Parks and Recreation Department, and the Sandpoint West Athletic Club, our goals are to help non-swimmers learn to swim, teach water safety, eliminate needless drownings, and promote swimming as a life sport.
